

## **Modes of Payment**

Payment can be made via:

### **1. GIRO**

GIRO is a direct debit mechanism used by billing organisations to collect payments; payments are deducted directly from the designated bank account.

Year 1 students: this will only apply if the GIRO application form was submitted during matriculation (end July) and the application has been approved. If the GIRO application form was submitted past the deadline and it was not set up in time for semester 1 deduction, the student should have been notified by the Office of Financial Service (OFS) by now.

Year 2 students: If GIRO was setup in year 1, the arrangement will still be in place and the fees will be deducted from the designated bank account on 3 October 2014.
